**“Building a Neighbourhood Food Network in the West End”  
Saturday, April 9, 2011, 1 to 4 pm  
West End Community Centre 870 Denman Street  
FREE. Refreshments provided.**

How can neighbours foster food growing, food security and sustainability? Hear what’s going on in existing neighbourhood food networks, and how Village Vancouver, Vancouver Food Policy Council, and others are helping to build new networks. Explore how a local, neighbour-driven food network could share, garden, celebrate, and build security around food in the West End.
